Filing Date: 28 Aug 2003

Confirmation No: 8978

For: TUMOUR SPECIFIC ANIMAL PROTEINS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

COMMUNICATION

Ma'am:

This Communication is being filed contemporaneously with a courtesy copy of the reference previously submitted 14 Oct 08, GlaxoSmithKline Biologicals, No. 001, "Antigen Specific Cancer Immunotherapeutics: Educating the patient's immune defense to fight cancer" (2007).

Remarks begin on page 2 of this paper.

REMARKS

Applicants submit herewith a more legible copy of GlaxoSmithKline Biologicals, No. 001, "Antigen Specific Cancer Immunotherapeutics: Educating the patient's immune defense to fight cancer" (2007). This reference was originally electronically filed with the Information Disclosure Statement dated on 14 October 2008, but the format was poorly compatible with the electronic filing procedure and the resulting PAIR file for this reference was difficult to read. Accordingly, Applicants now submit the present, more legible copy.

The Commissioner is hereby authorized to charge any fees required or credit any overpayment to Deposit Account No. 07-1392.

Respectfully submitted,

/Eric J. Kron/
